CATALYST EMPLOYMENT OUTCOMES (CEO)

People with disability moving into paid employment

EMPLOYMENT SUPPORT OPTIONS

If you have school leaver employment support (SLES) in your NDIS plan or if you have funding for finding and keeping a job you can participate in the catalyst employment outcomes (CEO) initiative. This combination of individual support and optional accredited training operates for a maximum of three days per week.

The CEO initiative provides participants with the practical skills, knowledge and individualised support to find paid employment. We are able to support participants with a range of support needs.

Having a job makes a difference to:

- Your independence
- Your confidence
- Your connection to local community

catalyst believes everyone can work

The CEO initiative will support you to:

- Gain valuable employment skills and knowledge
- Achieve your personal employment goals
- Experience a range of work placements
- Find paid employment
